6 Exhibition Regulations

- 1. Decision of booth location, prohibition of handover of booths**
 The booth location will be decided by our office in consideration of the contents and shapes of the exhibited products, securement of the evacuation guiding routes for visitors, visibility, etc. We cannot accept your specification or request for booth location.
- 2. Change or cancellation of exhibition**
 To cancel your exhibition or change the number of the booths, state the reason for it in writing and obtain approval of our office. If you cancel your exhibition, a cancellation fee will be charged as follows.
 ■ After the deadline for application for exhibition (January 31, 2020) until decision of booth location → 20% of the exhibition fee
 ■ After decision of booth location (after the beginning of March 2020) → 100% of the exhibition fee
- 3. Management of exhibited products, cautions for demonstration**
 Our office will not take any responsibility for theft, loss, or damage of the exhibited products, or damage related to the exhibition caused by fire, natural disaster, etc. The exhibitors shall take measures such as insurance on exhibited products. Cancellation of demonstration may be required if it is accompanied by extreme sound, emission of light, smoking, or odor.
- 4. Cancellation of event due to weather, etc.**
 If the organizer judges that it is difficult to hold the exhibition due to a natural disaster or other force majeure, the exhibition period may be changed, or the exhibition may be cancelled. If the exhibition is cancelled, please note that the organizer will settle and reimburse the exhibition fee by subtracting expenses already generated but will not compensate for any damage caused by this.
